

The Souvenir Card JOURNAL

THIRD QUARTER 1998
VOLUME 18 NUMBER 3

THE OFFICIAL PUBLICATION OF THE SOUVENIR CARD COLLECTORS SOCIETY

ON THE COVER: The vignette of a female figure (Liberty), arising above the Nation's Capitol, holding the Statue of Liberty in her outstretched hand, was engraved in 1919 and was used on the back of Liberty Loan Bonds between 1927 and 1942. It is from the FMA (Federal Managers Association) souvenir card released at IPMS. The card is intaglio printed by the BEP. The bottom of the card (below) was printed from a miscellaneous die and then overprinted with the FMA logo and then numbered.

BUREAU OF ENGRAVING AND PRINTING

The FMA sold 687 copies of last year's "Eagle." The current card is available for \$12.00 each, \$15.00 each for FDC. See the new FMA address on page 48.

I enjoyed NAPEX, the SCCS Annual Meeting, the Chapter One Banquet, and meeting and chatting with the other members in attendance. Several items were discussed of importance. The membership has been severely reduced over time for whatever reason(s), and although our membership numbers have reached 1917, our current dues paying membership is less than one-quarter of that figure!

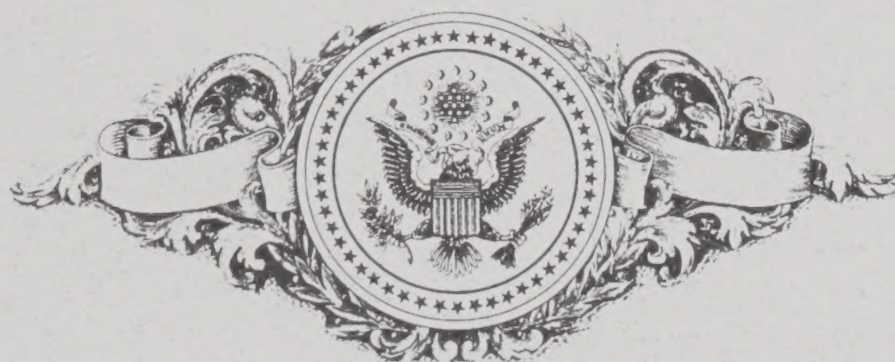

The Treasurer's report on income vs. expenses (see SCJ 18:2, pp. 2 & 3) indicated that something had to

be done to maintain the Society. An issue of this journal costs approximately \$2,500 to produce and mail. Financially, that amounts to \$50± per page. This suggested that the current advertisement rates are inadequate and the "dealer" membership category (\$10 per year more than "regular" membership) is not proportionate to the "free ad privilege" when used. Consequently, it was determined that for 1999, the dealer membership category would be eliminated and all memberships would at the rate of \$25.00 per year (\$30.00 abroad). All parties wishing to place an ad (other than the "Souvenir Card Exchange") would pay for the ads at a new rate schedule listed elsewhere in this issue. (Dealer ads will continue for this and the Fourth Quarter issue of this year.)

Since this is the time of year for the dues notice and, hopefully, an addressed envelope is enclosed for your convenience, please respond promptly.

Another matter that was discussed was the SCCS Numbering System, and the manner in which numbers have been assigned. This is especially true for the "Forerunner" and "Chapter" designations, e.g., how can a currently produced Bureau card be called a "Forerunner"? The matter of member's confusion if the existing numbering system was modified was discussed (see elsewhere, this issue). The majority felt that a change would be more helpful than continuing the status quo. Any kind of identification system should be informative and, ideally, follow the basic four C's: Clear, Concise, Complete and Correct, to be useful to all.

Membership information, dues or replacement journals are the responsibility of the Secretary, Dana Marr. Information concerning this journal including submission of articles and advertisements should be addressed to the Editor. Thanks!

Another summer is rapidly fleeing. I have completed my annual meetings and I have had the opportunity to discuss with the membership, several important issues facing the society in the coming years. Our challenge is survival as a thriving organization. In all the literature I read I see where all collectible societies are losing members. In my opinion this is reflective of the changes in interest of today's youth. Between the multiple choices of video games, cable television and the internet, their leisure time is quickly depleted.

I can say the same for my own free time which is being spread thin amongst the multiple media choices. In addition I am a lifelong Yankee fan and the incredible season that they are having draws my constant attention as I watch and enjoy the television broadcast of the games. The internet has become the main source for much of the intaglio, political and exposition material that I collect. Simultaneously many collectible activities can now be accessed through the Internet, and many have moved there in their entirety. I participate in collectible auctions on the internet and find them addictive and time consuming.

The time is coming when a large percentage of dealers will do the majority of their business over the net. I believe many smaller bourses will be challenged by this change in collecting habits. In this respect it is imperative that the society setup a internet site. We need this presence to inform the public of our existence, obtain new members and communicate with each other. Several members have offered to work on this project. The SCCS will pursue this important project aggressively and we welcome any of you who can help. Drop me an e-mail and I will try to get you involved with the other volunteers.

I am pleased to report that the distribution of the annual card with the Second Quarter 1998 journal was a complete success. We saved \$200 in postage and I received no complaints of damaged cards. The board particularly thanks the membership who has refrained from complaining about minor dings or blemishes. I hope you enjoyed the card. The card was issued in connection with our annual meeting which, this year, was held in conjunction with the NAPEX show and the Chapter One meeting and was followed by the Chapter One banquet. A good time for one and all who made it.

At our open meetings the most important discussion topic was "how should the society proceed in response to a smaller number of members." When we presented the choice between a dues increase or a reduction in services, the overwhelming response was to increase the dues. The board upon hearing the members concern as respects diminished services decided that starting in calendar year 1999 our annual dues will be increased \$5 to \$25 (\$30 abroad) and lifetime memberships will be increased to \$300. This modest increase will allow us to continue to issue four quality journals each year and an annual card.

Another issue that we addressed was the dealer dues which are only \$10 more than the general membership cost. For this modest extra charge dealers are allowed to place an advertisement in each journal. The cost of these ads to a non-dealer member are substantially more. This is not cost effective because it cost us over \$50 a page to print the journal. Consequently, it was decided, starting in 1999, to eliminate the "dealer" category and to establish a new advertising rate system based on the page production cost and apply it to all ads for the new year. Free "Exchange" ads will still appear and are a benefit of membership.

Coincidentally, I have been advised by several of the dealers that they do not get a good response to the ads in the journal. Perhaps they should be more creative in preparing their ads and I wish they would report back to me on the responses they get from the ads. I strongly believe that without dealers you cannot have organized collecting. So their continuing participation and success is critical to our hobby.

This issue of the journal includes an envelope for your 1999 dues. Please use it and send in your payments promptly. We want to avoid as much as possible, the additional costs and correspondence to collect malingering dues payments. We value every membership and we are reluctant to just say goodbye without some additional correspondence consisting of a postcard reminder and a subsequent letter.

Please contact me if these changes and the dues increase present a problem. As I have stated previously we value the continued participation of all members.

I am glad to welcome back **Herb Meisels** to the SCCS if for no other reason that he sends me information. The first known 1966 SIPEX Souvenir Card (F1966A var) with inscription inverted was sold by Jacques C. Schiff, Jr., at COMPEX on 24 May for \$1,100 + commission. Superior Stamp & Coin's 22-24 June auction offered three error cards: 1969 Fresno, with inverted vignettes (B3 var); 1988 "Honey Bee" with missing cancellation and tilted printing (FB 1988A var); and, a 1971 INTERPEX with inverted vignette (B9 var). The latter three cards are pictured here (right). The Fresno card brought \$3,910. with commission.

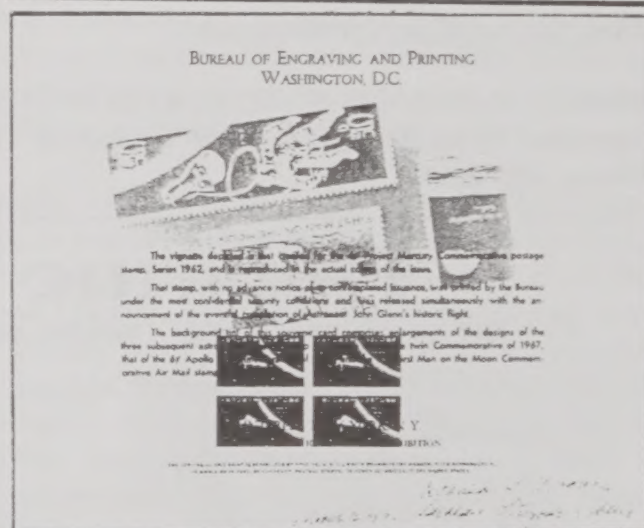

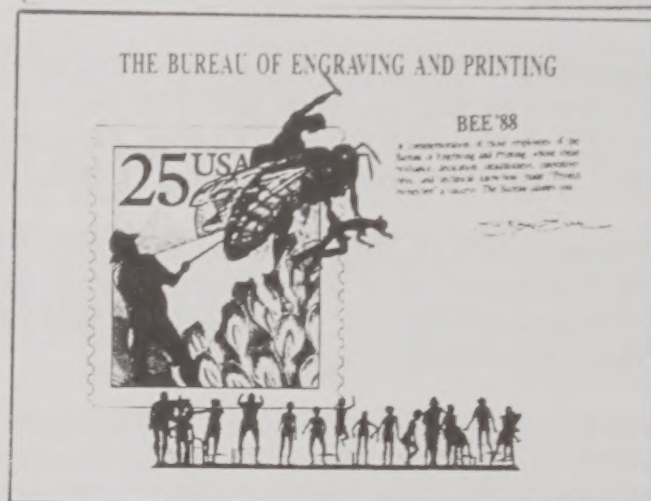

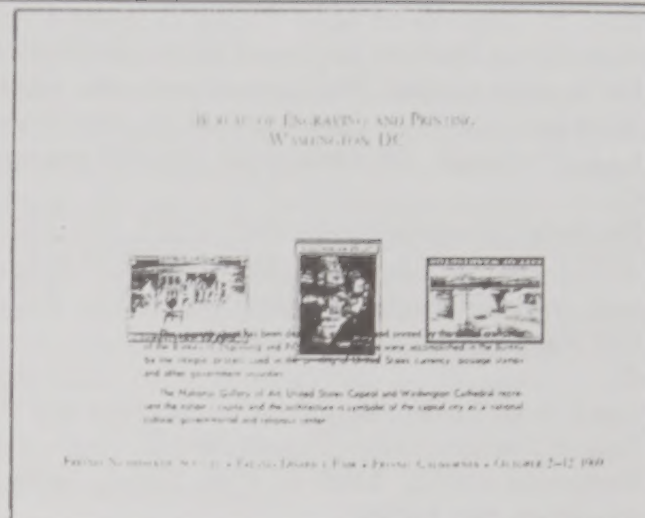

◇

Herb also advised that with regard to the USPS' OLYMPHILEX 92 card (see SCJ 18:1, p.15), he was informed by "Pete" Davidson, who was in charge of the program, that all advanced orders had been filled and the balance of the cards were shipped to Spain and were lost in Spanish Customs. They reasoned that the cards would be more popular at the show than in the States and unsold cards would be returned to Philatelic Agency stock. He believes that they were thrown away in Spain, since he does business with "several large size philatelic firms in Spain" and none of the cards have turned up in six years! I am glad my order was partially (mint) filled although I wish I had ordered more than one, and now understand why I never got the canceled card.

◇

Herb has a paid-for, good-cause advertisement (last page) in this issue. In regard to charity, your editor has several copies of the ABNCo (non-intaglio) printed folder released in conjunction with The Starfish Foundation souvenir card (see cover of SCJ 15:4). I will send a copy to anyone who requests one who provides: (1) a tax-deductible donation to the Foundation, (2) a mailing label, and (3) 78¢ in U. S. postage.

[As promised in the last issue, Member-at-Large Steve Patrick reports on his adventures within our hobby. Ed]

It was at AMERIPEX'86 that I was first introduced to collecting souvenir cards. A visit to the Society table and a friendly invitation by **Art Benjamin** to hear **Dr. Radford's** talk on the forerunner material on William McKinley hooked me on our great hobby. After visiting the World Stamp Expo'89 in Washington, DC, and the World Colombian Stamp Expo in Chicago in 1992, I was ready for the international PACIFIC'97 at San Francisco.

I did two things to save on expenses. One was to share hotel accommodations with **Art Benjamin** and **John Parker**, the other was to produce my own souvenir card to sell on the floor. Both of these led to the fun and enjoyment one can have with friends and the hobby. Each morning we would make our one mile trek to the Moscone Convention Center punctuated for Art's mandatory stop at Starbucks for a cup of java. The rest of the day would be filled with first day ceremonies, working the floor, and trying to win a pulled proof at the Bureau.

One evening **Lee Quast** from Minnesota was there, and he had a rental car. It was only a Toyota Corolla and with stamp collector friend Dave Clark from South Carolina, the five of us weighed in at over 1200 pounds. People kept honking and pointing at our tires. It seems there was low air pressure plus our weight had the tires almost on the rim. Lee had to dump us at Pier Five to find an air pump. He soon returned and we had a delightful meal at Pier 30. Desert was old-fashioned milk shakes from one of the drive-in restaurants made famous in the movie *American Graffiti*.

Figure 1 (next page) shows the souvenir card I created for the 150th anniversary of the first U. S. postage stamps. I used some clip art from the post office and illustrations of three postage stamps with San Francisco themes. I had them printed in only two colors to save money using a red and blue as close as possible to the two stamps. In addition to the first day strikes, the card (Figure 1) also has two real stamps of the cable cars with a "San Francisco Day" cancellation. You also will see an autograph of the actor **Karl Malden** who starred in the TV show "The Streets of San Francisco." He was there for the first day ceremony of two new postal cards.

Figure 2 (page 7) shows what to do with an error card. My printer had a couple of cards without the red color, so only Ben Franklin came out. I cut out "San Francisco is...Pacific'97" from a sheet of stickers for the top and a Pacific'97 sticker for the bottom. Besides a nice array of Ben Franklin stamps for the first day strike, I added a "Bureau Day" strike on the triangular stamps produced before the show. However, you notice that I turned them into bisects [hard to pick up in black and white] and added an oversize illustration from the stamp selvage. In addition. I got autographs of **Chris Madden**, the picture engraver for the Ben Franklin stamps, and **John Smith**, the letter engraver.

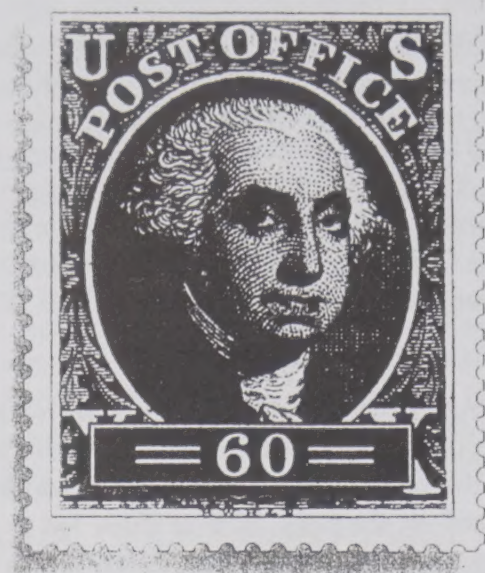

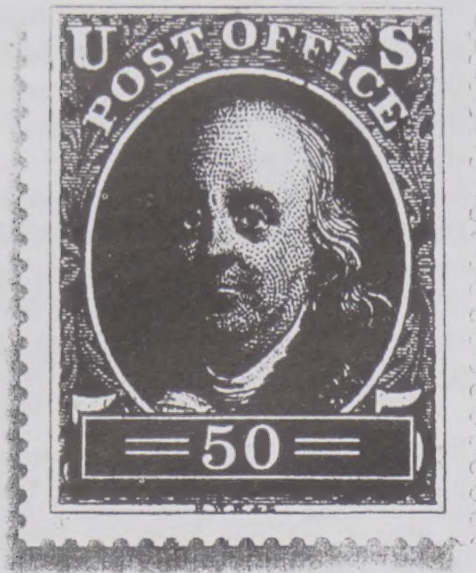

Figure 3 (page 8) is a \$2.00 bill autographed by **Mary Ellen Withrow**, treasurer of the United States. There is also a Thomas Jefferson stamp and a triangle stamp canceled on "Bureau Day." With Withrow signing uncut currency sheets, the Bureau had its largest one day sale in history. There was good attendance every day for the pulled proofs. I didn't win one for myself, but on my last day there I invited **Maurice Wozniak**, editor of *Stamp Collector* for the drawing. He won a card and ended up selling to me for the mandatory \$100 others were paying [the lottery is for the "right" to buy the proof for \$50.00, not a free card]. I had previously won that day, at the Canada booth, an uncut sheet of their "Year of the Ox" stamp. It cost me \$15, and I sold it for \$100 to an Asian dealer, so it came out fairly even. The Bureau card has been illustrated in a previous journal.

[Actually no! The Pacific'97 card was illustrated canceled, on p.6, Third Quarter, 17:3, and in reduced size with the reduced size handkerchief on p. 35, of the Second Quarter, 17:2 issue. The pulled proof card was actually made from the plate that produced the handkerchief design which, in my opinion, would have been a much more appropriate card for Pacific than the "Renovated Butter" card. I can't show a copy of the proof here as I was also unlucky at the Bureau drawing! Ed.]

The next few illustrations show five cards from Washington Press. These were leftover Artcraft cards offset printed from engravings. Figure 4 (page 8) shows **George Washington** with a first day strike on the new stamp, a cut out from an old Bureau card (ANPHILEX'71), and a cut out from the 1947 Centennial sheet.

Figure 9 (opposite page) shows a nice card that was given away by the Sedish post office with any purchase. Pictured is the prolific engraver Czeslaw Slania who was at the show and graciously signed many souvenirs. To his autograph, I added stamps he has engraved for China, Poland, Tunisia, Sweden and the U. S.

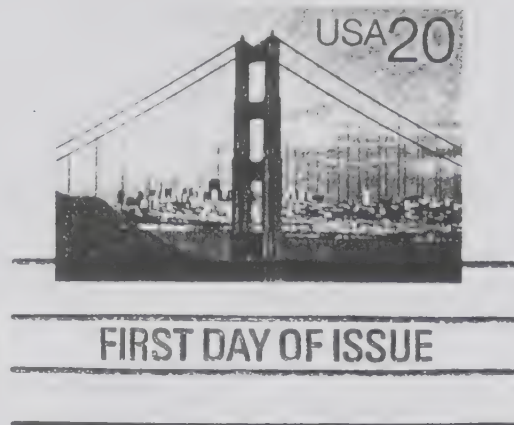

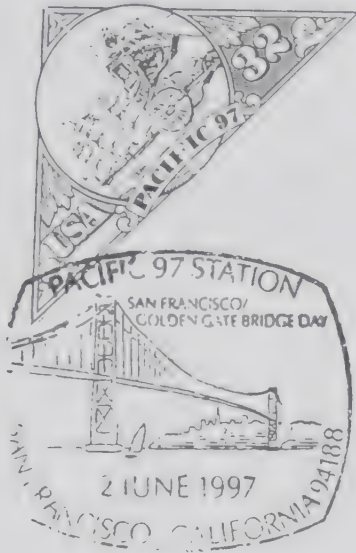

The following cards show what you can do with a little ingenuity. Figure 10 (above) is an 8"x7" card printed by the Ireland Post Office which they left in stacks at the entry doors. Figure 13 (above) is my souvenir from an A's baseball game attended by Art, John and I. We rode the BART over to Oakland Alameda County Stadium. I glue-sticked my ticket and some clip art to the card and got a "San Francisco Day" cancel. The A's lost, but we saw Mark McGwire hit his 350 career home run before he was traded to the Cardinals.

Finally, Figure 14 (above) shows how the Ireland card was used for my souvenir of *Phantom of the Opera*. My gluestick came in handy with some clip art and my ticket stub. I added stamps for opera honerng Enrico Carruso and a cable car to match the theme.

The news says that PACIFIC'97 lost big bucks which puts the next international in 2006 in peril. It will be in Washington, DC and Lord willing and the Potomac doesn't rise, I'll be there!

After seeing the article on menus [SC] 18:1, pp. 5-14], I looked through some of my books and found two with bound-in Tiffany menus. A third book has a Tiffany frontispiece. All of these are engraved.

The frontispiece (at right, cut down) is from the CXXII Annual Banquet of the Chamber of Commerce of the State of New York, 18 November 1890. A 56-page hardbound book of speeches given at the banquet, published by the Chamber of Commerce, New York City.

On the following pages (pp.20-21) are the menu and frontispiece from the CXXXIII Annual Banquet of the Chamber of Commerce of the State of New York, Delmonico's, 19 November 1901, a 71-page book of speeches.

Finally (pp. 22-23) are the menu and frontispiece from the CXXVI Annual Banquet of the Chamber of Commerce of the State of New York, Delmonico's, 15 November 1904, a 54-page book. The sailing ship is the *Bristol of New York* and the steamer is the *St. Louis*. The seal is embossed in gold.

Sometime between 1890 and 1901, Tiffany was engaged to produce menus for these books, however, since I have seen only these three, I can't say when menus were first placed in them.

CURT RADFORD

3155 Waldwic Lane, Oshkosh, WI 54904

(414) 235-8121 (Evenings)

Back to a normal sized auction this time, with over three hundred lots available for sale. It doesn't appear to have any special strengths or weaknesses, just a good mixed offering, hopefully with at least one or two lots of interest to everyone. Budding souvenir card dealers should note the "Wholesale Lots" at the end of the listing, a new section possibly for this sale only.

The First Quarter 1998 sale turned out to be quite typical, with about \$3,350 in sales and a \$485 net return to the Society treasury. The Second Quarter 1998 auction (closing soon as of this writing) looks to be better, with thirty bid sheets received already, even though I have not yet received my personal copy of the Journal.

Consignments remain "on hold" again due to a flood of material received recently. Scarce/rare single items will continue to be accepted, but please do not submit large collections or bulk lots at this time. Please write for a copy of the Consignment Terms first if you are interested in participating in the auction as a seller.

AUCTION BIDDING RULES

1. MAIL BID CLOSING DATE: BIDS MUST BE RECEIVED BY THE AUCTION MANAGER NO LATER THAN NOVEMBER 20, 1998.

2. Send all bids and auction correspondence to the Auction Manager: Ken Barr, P. O. Box 32541, San Jose, CA 95152. Telephone inquiries may be made until 10:00 PM Pacific time at 408-272-3247. E-mail bids may be sent to "bids@kenbarr.com".

3. Bid by lot number only. Multiple item lots will not be broken. The earliest postmark will decide tie bids. Duplicate lots may be available; feel free to indicate if you want more than one copy of any lot(s).

4. Bid processing will be done manually, so special instructions can be given. "OR" bids ("bid \$10 on lot 101 OR 102, one lot only") are acceptable, as are "maximum expenditure" limits ("please limit total winning bids to \$100 maximum"). Feel free to bid on any lots desired with the security that your winnings will be limited to the amount specified.

5. All items will be sold to the highest bidder. Bid reductions will generally not be made unless noted

on special high-value lots.

6. Please observe a minimum bid of \$5 per lot. Some lots have higher minimums, denoted as MB \$xx in the lot description. Estimates (EV \$xx) are for information only, and have either been provided by the consignor, the current SCCS catalog, or the Auction Manager.

7. Lots will be shipped via insured U. S. Mail unless otherwise requested. Postage and insurance charges will be included in the bidder's invoice.

8. Successful bidders are to remit payment in full in U. S. funds within five days of receipt of their invoice. Late payments may disqualify the bidder from participation in future auctions.

9. Returns are acceptable within ten days of receipt of shipment. Please specify reason for return (damage, mis-attribution, etc.). Mistakes on bidder's part are not sufficient reason for return.

10. The Auction Manager reserves the right to withdraw any lot and to reject unrealistic bids.

11. A "Prices Realized" list will be available shortly after the auction. All bidders and consignors will receive copies. Others may obtain one by sending a self-addressed stamped envelope to the Auction Manager.

12. Members wishing consignment information should write to the Auction Manager for details.
